

# CONSTRUCTION NOTICE 17

## WAIAWA NAVY WATERLINE PROJECT

Hawaiian Dredging Construction Company (HDCC), Inc., on behalf of the Naval Facilities Engineering Systems Command (NAVFAC) Hawaii, started work on the Waiawa Navy Waterline Project for Joint Base Pearl Harbor-Hickam on August 12, 2019.

This phase of the project will involve connecting a water transmission pipe along 2nd Street at the intersection of Lehua Avenue. Majority of the work will be done within the easement area, however temporary lane closures may be necessary throughout the phase of work. Residents and motorists near the project site are asked to observe all traffic signs, anticipate/plan for possible delays, monitor parking restrictions and drive with caution. Project updates will be available, 24/7, at [www.waiawanavywaterline.com](http://www.waiawanavywaterline.com). All interested members of the public may signup at the website to receive automatic project updates. HDCC and NAVFAC Hawaii will make every effort to provide timely project information to the local community throughout this project.

Please direct all questions or concerns during normal business hours to the Waiawa Navy Waterline Project Team at (808) 392-1617 or email us at [info@waiawanavywaterline.com](mailto:info@waiawanavywaterline.com).
